

Researcher Declaration on the Use of Research Data:

THE ACER-EUROPEAN SCHOOLNET EDUCATIONAL NETBOOK PILOT SURVEY DATA

Data owner: EUN Partnership aisbl,

61 rue de Trèves 61,

B-1040 Brussels

The Researcher makes the following undertakings with respect to the data sets described above:

- That the research will be carried out in accordance with the University's or organisation's Code of Practice on Ethical Standards for Research Involving Human Participants. If no such code exists, then the researcher will apply the equivalent national regulations.
- The Researcher will not release nor permit others to release the data sets or any part of them to any person who is not a member of your research team, except with a written approval of EUN.
- The Researcher will not release nor permit others to release any information that identifies individuals directly or indirectly.
- If the identity of any individual be discovered inadvertently by the Researcher or by a member of his/her research team, then no use will be made of this knowledge publicly on a website, research paper, nor in other publications. In addition, they will inform EUN immediately in writing.
- If publishing articles in workshops/conferences/journals, EUN will be notified about the use of data and the submission details. A digital copy of the article should be shared with EUN (see the details above).
- The Researcher will include in all papers and reports based on these data the following acknowledgment, if not agreed otherwise: "This research is based on data on Acer-European Schoolnet Educational Netbook Pilot. Neither ACER nor EUN guarantees the accuracy of any data and cannot be held liable for any errors or omissions. The views expressed are those of the authors."

By downloading the data, the Researcher indicates his/her agreement to comply with the above-stated requirements with the knowledge that deliberately making a false statement in any matter may be punishable under the law.
